Dear Parents and Guardians,

The time has come to start preparing for the 2010-2011 school year.

Registration fees, and the fees for the program next year are listed below. Unfortunately, we will be raising our rates by 5% this coming year. It has been 4 years since we have raised any of our rates. With the rising cost of operating this program, we are trying to keep our rates low while still providing a quality program.

If you are interested in registering your students for the coming year, please complete the information on the form

Space is limited, so be sure to return your registration as soon as possible. We were unable to accommodate all students who wished to enroll this year. We fill spaces on a first come, first served basis.
