Fun Day is Friday!!!!

Friday, May 28th is Fun Day! It is out of uniform. Shorts and t-shirts are most comfortable for the relays and activities. For those who volunteered to bring in baked goods for the Cake Walk, you can drop them off in the cafeteria Friday morning. If you didn't volunteer to bake something, we will take your items for the Walk anyway!

Class List Assignments

Teachers spend many hours assigning their current students to specific teachers and/or student configurations. This is done before school is out for the year. I have equal confidence in our teachers with regards to their ability to provide the highest quality Catholic education for each and every child in our school. Where your child is placed is carefully and prayerfully decided by our teachers with input from other staff members. To that end, I must enforce our long-standing policy of not taking class requests for the 2010-2011 school year. Please understand that each classroom is a nurturing environment where children are taught to be good citizens and well-rounded pupils. We take these decisions very seriously and find that even though we do our best to give each child a friend in his/her class, we cannot and do not strive to make the classroom more of a social outlet than academic. I would be happy to discuss this with you further should you have questions and/or concerns. I appreciate your cooperation. I hope each one of you have a safe and peaceful summer. Mrs. Vondrell
